Dr. Fredilyn G. Samoro

Corporate President

ACE Medical Center – GenSan, Inc.

General Santos City

Dear Dr. Samoro,

I hope this letter finds you well. I am Carlo Domingo Casinto, a resident of Catalunan Grande, Davao City, and a stockholder of ACE Medical Center – GenSan, Inc. I am writing to formally express my intent to sell my shares in the corporation. This decision has been made in light of family's migration to North America. Given this significant transition, my family and I will no longer be in a position to fully enjoy and participate in the privileges and benefits accorded to stockholders.

For your reference, my stock certificate number is **C-0626**, representing **ten (10) common shares** with a total subscription price of **Two Hundred Fifty Thousand Pesos (Php 250,000.00)**. I respectfully request assistance in complying with the proper procedures and requirements to facilitate the transfer or sale of these shares in accordance with corporate policies and regulations.

Thank you very much for your understanding and kind support regarding this matter. I am likewise grateful to you and to the members of the Board of Directors for your leadership and support throughout my time as a stockholder. I look forward to your favorable response.

Respectfully yours,

Carlo Domingo Casinto
